Office Policy Form

Welcome to our practice! We are pleased that you chose us to serve your dental needs. Enclosed please find a Medical and Dental Questionnaire for you to complete and bring with you to your first visit.

Medical History

Please include all medications and dosages that you are taking. This includes prescriptions, over the counter pills and natural health products.

Dental History

If you have been having regular dental visits, you should contact your previous dentist to see if there are current x-rays that could be forwarded to our office. If you prefer, please call us and we can do this for you.

First Visit

Plan to be here for about one hour. We will take a full set of x-rays and do a complete examination. The approximate cost for this appointment is \$236.33.

Payment Policy

Please be advised that all accounts are due on day of service. We will complete your insurance forms and submit any that can be processed electronically.

Please keep us up to date on any changes to your insurance carrier, policy or Identification number.

We do offer payment by means of Direct Debit, MasterCard, Visa, Cash or Cheque. No post dated cheques.

If your children are coming to their appointments on their own, please call us with either a Visa or MasterCard number or send them with a cheque to pay for their appointment.
